## About Us....

Kanara E-Tech Education trust is founded by a team of experienced lecturers and friends in 2020 at Ranebennur to impart quality education to surrounding students using electronic technologies as educational tools.

Our trust has established Kanara E-Vision Science & Commerce PU College & English Medium High School at Chalageri beside SH 76, Teradahalli cross. In near future Trust is planning to establish Primary School education at same locality. This location is in Blackbuck sanctuary surrounded by greenery like, "Malenadu". Stotting Krishnamrugha and dancing Peacocks in the vicinity of campus add more beauty to our Kanara E-Vision Campus.

KANARA  
E-Tech Education Trust

This campus is excellent for the students those who want to excel themselves.

Our campus is very convenient to reach from all the directions such as from Haveri, Davangere, Chitradurga, Bellary, Gadag, Dharwad, Shimogga and Uttara Kannada.

## From Principal's Desk....

**Prakash Naik, M.Sc., M.Phil., B.Ed.**

**Principal & President**

Dear Parents, Children and Well wishers,  
Greetings to you all from our Kanara E-Vision family.

“ A clear vision, backed by definite plans and execution gives tremendous feeling of confidence and personal power”

Being E-Vision College and School, we diligently follow the pillars of education “Learning to Know, Learning to Do, Learning to Live together, Learning to be” endeavouring to groom our students into becoming wholesome personalities.

Our vision is to impart quality education to children and prepare them for modern challenges using electronic technologies as educational tools.

Our approach of education is based on Mahatma Gandhiji's idea of education. “Education is the realisation of the best in man's soul and spirit”. Ethics and morality are integral part of education. We are committed to work in this great cause.

We believe that education is an effective medium of social transformation and in this competitive world to face the world wide challenges need to give international quality education to children. We are sincerely working in this area. This is possible only by using modern technologies in classrooms in a proper “frame.”

We believe in the words of Swami Vivekananda “We want the education by which character is formed strength of mind is increased the intellect is expanded and by which one can stand on one's own feet”.

This spirit should guide our intent and actions in shaping the destiny of our “Kanara E-Vision” institution.

## Vision....

Our Vision is to impart quality education to children and prepare them for modern challenges using electronic technologies as educational tools.

## Mission....

Our Mission is to develop, maintain and manage a world class teaching and learning environment in an efficient & peaceful manner and to provide an education that transforms students through rigorous course-work and providing an understanding of needs of society and industry.

## Courses Offered

PUC Science	PCMB	- 2 Years
PUC Science	PCMC	- 2 Years
PUC Commerce	EABS	- 2 Years
IX and X Standard		- 2 Years

Our "Kanara E-Vision" NEET / JEE academy provides adequate training to crack NEET & JEE as well as KCET. "Kanara E-Vision" Commerce team prepares our commerce students not only for Board examinations but also for fundamentals of CA and other competitive examinations.

Kanara E-Tech Education Trust (R) Ranebennur, every year adopts 8-10 meritorious students on the basis of performance in X & KTSE examination. These students get absolutely Free Education. Students those who are passing X examination with above 90% & 95% will get scholarships. Also our fees structure is affordable for all corners of society and we give easy EMI facility.

**\* We have many Technicalities & Technologies.... But our main Technicality is individual care \***

## Our Smart Class Rooms....

Our “Kanara E-Vision” Institution provides smart classrooms for each and every students.

Smart classrooms use a variety of digital tools such as interactive panels with Android & OPS, Tabs, Laptops and educational softwares.

Smart classrooms use technology to enhance the learning experience of students. They are designed to be flexible, adaptable & comfortable to meet the needs of different learners. These classrooms have highspeed internet access to support online resources, educational websites and digital libraries. These classrooms use videos, audio and other multimedia content to engage students.

We provide all the multimedia materials, reference books and other study materials in smart boards as well as students tabs. These classrooms are designed to prepare students for the digital era by fostering critical thinking, creativity and collaboration skills.

Smart classroom is an Edutech upgrade classroom that enhances the teaching & learning process for both teachers and students by interacting audio, video, animations, images, multimedia & pdf materials.

“Kanara E-Vision” vigilance team is very active to avoid the misuse of these digital gadgets.

## Physics

Proficiency in practical skills help the students to develop hands on learning, critical thinking and problem solving skills; thereby helping them to develop a deeper understanding of scientific concepts and their real world applications.

## Biology

We provide Tab to each & every students with ample of preloaded e-materials for their exhaustive studies.

## Library

## Our Hitech Laboratories & Library

Acquiring practical laboratory skills provide a head start for students to pursue further studies at the university level.

## Chemistry

“Kanara E-Vision” provides a standard physics, Chemistry, Biology and Computer Science Laboratory to meet students’ needs of the time. Our E-Library is one of the unique features of modern era. It makes students to access information easier, quicker, & more convenient to find and retrieve information than ever before.

## Computer Science

## Our Separate Boys & Girls Hostels & Food Court

“Kanara E-Vision” institutions provide separate hostel facility for Boys & Girls. Our hostel rooms are well furnished with the almirahs, bedding, Study chairs & shoeracks. All rooms have attached bathroom & toilet with hot water facility.

Students get 24x7 hours security, medical assistance and power supply. They are provided smart cards to connect their parents every Sunday through telephone.

Our vigilance team keeps eagle eye on each & every students through our Wi-Fi enabled surveillance cameras.

A team of Male & Female wardens, Physical directors and Staff nurse take care of health of each and every students.

Our food court provides Uttara Karnataka style delicious and nutritious food. Food court serves 6 times everyday according to menu. Every Sunday & Festival days special menu is provided.

## Co-Curricular Activities

"Kanara E-Vision" aims not only educational excellence but also overall development of the individuals.

As part of Co-curricular activities, we celebrate Swatantrotsava, Kannada Rajyotsava, Ganarajyotsava, Ganeshotsava, Fresher's day, Annual day as cultural festivals. Co-curricular activities enhance students' academic development and performance. These can also help the students to build several important life skills in areas such as leadership, organisation, confidence & socialisation.

# Performance

Students of 'Kanara E-Vision' have shown their best performance in the first batch itself.

## In II PUC Science

- Out of 100 students 70 students got distinction 48 students scored above 90% and achieved 100% results.

## We are the Toppers.....

Tremendous performance achieved by our Kanara E-Vision students in NEET / JEE / KCET Examination-2024

## In II PUC Commerce

- Seven students got distinction and achieved 100% results

## In X Standard

- Eleven students got distinction and achieved 100% results.

## Our Sports & Physical Activities

Our “Kanara E-Vision institutions take care about students’ physical and mental health. As a part of this our every day routine is adopted Jogging, Yoga & Aerobics. Physical activity including sports is important for students’ health and well being. It can help to improve mood, energy levels and concentration. It can also help to prevent and manage mental health conditions like anxiety and depression. With this awareness we work in this category.
